# GUARDSTATION MONITOR

Salient's GuardStation Monitors with IPS technology and LED backlights give you remarkable screen clarity, adjustability features for the optimal comfort you desire, and environmentally conscious, energy efficient features for one of the industry's highest-quality, most advanced screen viewing experiences.

With 1920 x 1080 resolution, high 4 million:1 DCR and fast 6ms (typical) gray-to-gray response time you'll enjoy amazing clarity and great colour consistency from virtually any viewing angle. And with an optimal height adjustable range, plus features like tilt, pivot and swivel, Salient's GuardStation Monitors are designed for your maximum viewing comfort.

# GUARDSTATION MONITOR
